Wednesday

- 10pm
"Do the Deuce
Draw"

Saturday

- Spend \$100
receive \$25
gift card, good
on your next
visit

Happy New Year

Hi and welcome to the first Esterhazy Motor Hotel newsletter! We hope that you had wonderful holidays and are excited about what is happening here in 2008. 2007 was one of the most successful years to date for The Motor and welcomed new team members and new family members. Jen B, Stacey, Jennifer T, Joel and Kelly all got on board "the motor train". Manager Joelle Lucas and husband Matt welcomed Jersey Madison, while Joel and Jen Blair enjoyed Joshua William's arrival. All and all an exciting time.

In the Pub there were many events throughout the year. Concerts, Motor Idol, a hypnotist and a Grey Cup Party all went on and were fun and exciting. Among the most memorable events were Kal Hourd, Josh Palmer, Men Without Shame and Molecule Dog. We hope to have these exciting acts back and book even more shows in 2008. Also some renovations took place as a private VLT area was created. Free coffee and fantastic times await all who enter there.

Introduced were the Esterhazy Motor Hotel Gift Cards, the solution to your gift buying troubles. Available in any amount these cards will carry a balance and never expire.

Starting Saturday January 12th, if you spend \$100 in the bar you'll receive a \$25 gift card, good for your next visit!

More renovations and creations in the upcoming year!

Up Coming Events

This year will hold some of our biggest and best events! Tyla will be hosting a **Poker Challenge** with weekly events culminating in a final poker play down. Also we would like to invite you in every Wednesday starting on the 23 of January to "**Do the Deuce**". Every year we are involved with Telemiracle and we've planned "**Playing for a Miracle**" to be held on February 8 - 9. This will be a showcase of bands with the proceeds going to the charity. Also coming will be:

- **Guitar Hero Championship**
- **Karaoke**
- **Bands**

Watch the sign or checkout <http://www.themotorhotel.com/bar/events.html> for all the latest.
